

Training Course Information

Course Name: More Photo Fun ...

Course Overview: Do you want to have more fun with your photos? How about trying to add text, shapes and graphics to your photos? Try softening photo edges, cloning your pet so it appears as though you have not one, but two.

Topics Include:

- Getting Started
- Tools
- Text
- Shapes
- Paint Brush & Pencil
- Graphics
- Blur/Soften Edges
- Smudging
- Cloning

Pre-Requisites: Photo Editing Basics or equivalent knowledge

Note: Each course can be tailored and/or combined with other courses to suit the client's needs.
